

## **Geometry Architecture Project Timeline**

<b>Fri, 11/11/05</b>	<b>Project and partners assigned</b>
<b>Mon, 11/14/05</b>	<b>Computer Lab/Library Research (1st, 6th, 7th periods)</b>
<b>Tue, 11/15/05</b>	<b>Computer Lab/Library Research (1st, 4th, 6th, 7th periods)</b>
<b>Wed, 11/30/05</b>	<b>Class time for last minute work with partner (45 minutes)</b>
<b>Mon, 12/12/05</b>	<b>Project DUE</b>
<b>Wed, 12/14/05</b>	<b>Presentations</b>
<b>Thurs, 12/15/05</b>	<b>Presentations</b>
<b>Fri, 12/16/05</b>	<b>Presentations</b>

**It is the students' responsibility to divide portions of the project between partners and find the time and place to meet together to plan and work on the project. The project must be equally shared. If a group chooses to do the bonus, it must be equally shared as well for both partners to receive credit. Partners do not necessarily receive the same grade. Students must individually be able to explain any part of the project.**
